Prez Sez October

This is a busy month for most of us. Not only do we have our show on the 25th, we have Cruisin' the Coast from October 6th-12th. I won't be at this month's meeting on the 9th since I will be in Biloxi, but Tom will run the meeting and much of the discussion will be on our upcoming show and where we are with that. We will also be nominating officers for the 2015 year. Voting will be in November. This is your only chance to nominate someone, so please be there to shout it out.

I sent out an email earlier this month about a cruise to Washington with the Baton Rouge Corvette Club. If anyone is interested in leading that cruise from BSCC, meet the group at Prejean's Restaurant on I-49 at 8:30am on Saturday October 11.

Again, GNOCC is having their 23rd annual show on Saturday October 18th and we really need to participate in this show. The drive is 2 and ½ hours w/o traffic and 3 ½ with traffic. Whoever heard of not having traffic on I-10, but we will leave from the Chick Fil A at 1-10 and Louisiana Avenue at 6am on that Saturday to make it there in time for registration. You can go on their website to see more details on the show as well as a map or call me to get more info. We could really use the club participation on this show.

The following Saturday is our 25th annual show at Cajun Harley Davidson. We will have our ditty bag stuffing party the Friday (24th) evening at Cajun like you have done in the past. Please bring any raffle ticket money, door prizes and any ditty bag stuff we need so we have all of that prep work done before the show the next morning. We will have something for dinner, not sure what yet, but you can bet it will be good. The Corvette Museum is sending us reps again this year so let's make them feel welcome. We will be there around 4pm so come when you can and plan to stay for a while.

This show is the highlight of our year so let's make it a profitable one for the New Hope Development Center and let show the people of Acadiana why we have been doing this for 25 years. Clean up those cars and be ready to show them off. We hope everyone joins us for another year of fun.

Maxie

BAYOU STATE CORVETTE CLUB

25th Annual Corvette Show

Saturday October 25, 2014

at

Cajun Harley Davidson (I-10 Scott exit)

Registration 8 – 11am

Awards 2:30pm

Entry Fee: \$40.00

SHOW OPEN TO ALL CORVETTES

Benefiting New Hope Community Development of Acadiana

New Hope

Printing donated by: Evangeline Specialties - www.evangelinespecialties.com

Bayou State Corvette Club will be hosting its 25th Annual Corvette Show Cajun Harley Davidson in Scott on Saturday, October 25, 2014. We would like to invite you, the general public and car enthusiasts to come by that day to view the beautiful cars and visit with the owners and club members.

Each year, our club donates proceeds of this show to a local charity or support service group. This year's recipient is New Hope Community Development of Acadiana.

Please say "yes" to supporting our club and our local charity by becoming a sponsor of this event. There are several levels of sponsorship and hopefully, one will be right for your company.

The Sponsorship levels are as follows:

Gold	\$500	Sponsors receive recognition on all printed, radio & TV advertising & recognition in our registration packets, on our show banner and throughout the day at the show
Silver	\$250	Sponsors receive alternating recognition on TV & radio advertising, recognition in our registration packets, on our show banner & throughout the day at the show
Bronze	\$100	Sponsors receive recognition in our registration packets & on our show banner
Trophy	\$50	Sponsors name will be engraved on an award, which will be given to a show participant & recognition on our show banner

Please support Bayou State Corvette Club in our efforts to assist The New Hope Community Development of Acadiana.

Thank you in advance for your help and consideration. For additional information you May contact at Tom Diermann @ 337-237-5223 or by email: 99coupe@bellsouth.net

HOPE TO SEE YOU AT THE SHOW!

Tom Diermann
Show Chairman

It is almost SHOW TIME!!!!

The show will be here before you know it, just 3 weeks away.

Tickets sale are coming in slow, if you have sold your tickets and need more please contact me and we will get them to you. I will have the tickets at this month's meeting. Don't forget about the items for the diddy bags. If you or the company where you work may have pens, pads, chip clips etc. with your company logo, those would be good items for the diddy bags. I think we have one of the best diddy bags around. We have rice and Tabasco, so all we would need is some beans and we would have a meal. Don't forget about the door prizes, one for a man and one for a woman.

Tom D

BSCC Member Spotlight

Ken and Julie Turner

Ken and Julie live between Lafayette, Broussard, and Youngsville, just off the new section of Ambassador Caffery. Ken has wanted a Corvette for as long as he can remember being interested in cars, but just never was in a financial position to buy one.

They bought their first Corvette, a 2014 Cyber Grey Z-51 on March 7th of this year. Their order went in on Jan 28th and Ken tracked every step of its progress online until it came off the line on March 1st.

In the research that Ken did on which options he wanted, Ken and Julie went to a Vette's and V's show in April 2013 put on in Hammond by Ross Downing. There were some Assembly Plant employees there with a pre-production 2014 Stingray. In asking questions about the car, Ken and Julie made friends with the Paint Shop Production Manager, and the Executive Assistant to the Plant Manager.

Ken recently rode with the Caravan to the Museum for the 20th Museum Anniversary and had a great time. While in Birmingham on the way to Bowling Green, Ken put his car on the track at Talladega with Jack Wise riding passenger. There were cameras on both the front and rear windows of the car taking video, and Ken has a device that plugs into the OBDII port to pull data from the car to overlay over the video. He is not finished editing out the foul language used towards a car in front of them that put their car on the track for a Sunday drive, holding everyone behind them to a slower speed.

On the weekends since they got the car, Ken and Julie have been taking rides with the club and are usually at the local shows, or riding with some of his other friends.

Meeting Minutes

Bayou State Corvette Club Meeting Minutes September 11, 2014

September Meeting of BSCC

Meeting was called to order. Members in attendance were Maxie and Cindy Rodriguez, Tom and Vicki Diermann, Louis and Julia Broussard, Jack Wise, Jodie Lejeune, Darryl Dodd, Ken Turner and Rick and Bettie Louviere.

Discussed the upcoming election of officers for the year 2015. Next meeting (October 9) will be nominations for officers. November will be elections by a written ballot. Officers will assume office in January 2015.

Raffle tickets were collected and more were given to members to sell for the show. More sponsorships were discussed for the show. Ken Turner is working on several great ideas for auto shops for donations for the show. Everyone talked about their collecting door prizes for the show.

Jodie talked about the shirt order that was submitted to Sun Sports and when they will be ready. They will be in for the show.

Ken Turner, Jack Wise and Rick and Bettie Louviere gave us a short summary of their trip to Bowling Green Kentucky to the National Corvette Museum and the Caravan trip.

October 5th Crescent City Corvette Club has a day trip to the Angola Rodeo if anyone is interested. They are making it a weekend trip but some may go for just the Sunday.

Discussed the GNOCC show on Oct. 18th a week before our show. Encouraged group to attend and show club participation.

Meeting was adjourned and group went to O'Charley's for dinner.

Check it out!

Club Members,

This email was sent to me for a club function with the Baton Rouge Corvette Club. Unfortunately, I will be unable to attend but this cruise will be discussed at the BSCC meeting on Thursday October 9th. Maybe a group from BSCC can meet the group of Baton Rouge Corvettes at Prejeans Restaurant on I-49 at 8:30am on the morning of Saturday October 11 for a cruise together to Washington. Sounds like a fun event.

My name is Mark Jurey and I am the president of the Baton Rouge Corvette Club.

The town of Washington asked us to bring our cars to their town for a Corvette showing the same Saturday as their annual Old School craft fair. This will be on October 11 from 10-2 on their Main Street. We plan on leaving Port Allen at 8:15 and could meet up with any of your members on the way. Since the school house is about a mile from Main Street, my wife will drive her Tahoe to shuttle people back and forth from the showing and shopping.
