

Bayou State Corvette Club – April 2020 Newsletter

Hats off to American automakers for stepping up to make medical masks and ventilators.

Glad to be an American.

Glad to be in America.

As soon as we know you'll know:

When gatherings are permitted

Eric will get the word out.

Hope all is well and safe until.

A note from the President of the BSCC

Hello Everybody! I do hope all of you are well. Let's try to keep in touch during this time of self-quarantine or "corn-teen" as I've seen it called on Face Book.

I know that we are unable to get together for our monthly meetings and cruising as a group would probably be frowned upon. I miss seeing you and breaking bread with all of our members. Make sure you call each other on occasion to "check-in" and see how other club members are faring during this time.

I haven't been out and about much, Gizell has been running most of our errands. I am working from home and trying to keep from catching that lousy virus that is mucking up our liberties and freedoms in the good ole US of A.

I wish I had some good news to share with you, like so and so bought a new Corvette. I haven't heard much of anything except bad news watching TV. Our President tries to be optimistic and as the leader of our country, he is supposed to look forward and encourage us to look for that light at the end of the tunnel. I do wish I had that crystal ball to tell me when this would all be over. We will just have to sit it out and see what is in store for our country and the World.

Can I request that you call me in the next few weeks? I would enjoy the phone call, to visit with you for a few moments just to catch up. I would like to know how you are spending your time or some good news to share with the club. My phone number is (337) 288-6691

Keep the Faith
