Next Cruise –

A goal for our club is to have at least one group cruise per month. This month we hope to have a cruise in the last week of August. If you would like to host, bring ideas to Aug meeting.

Letter from the President

August 2020

Hello Corvette Fans,

August is here and upon us. Let me mention the cruise that Scotty Quebedeaux led to Suire's Grocery. On the cruise: Scotty and Melissa Q, Mark Landry and Karen Thomasee, Ken and Julie Turner, Dan and Carolyn Snow, and the Simmons'. We had a great cruise and a very special lunch. I know you guys didn't just buy your Corvettes to look at in your garage. I do know you can't attend every event; however, I can say I have never seen some of you in your cars.

At our next meeting, Thursday August 20, we are going to have a car show, vettes only, for members and guests that drive their Corvettes. This will be a hood up car show for our members and guests (interested in joining the BSCC).

Two Categories: Stock and Custom. One prize for each category. Spread the word. Let's have a big turnout for this event. If you drive your vette, it will be entered. There will be no registration required to enter your car. Also, please try to arrive at 6:00 pm. This will give us time to judge the cars, visit, and still start the meeting at 7pm sharp.

Everyone should have received their raffle tickets by this time. If you have sold your tickets, please bring the stubs along with the money to the meeting at Scotty and Melissa's home. We will be meeting in their shop and Scotty will be preparing a home cooked meal. By the way, it is always delicious. If you want to eat, please bring \$10/person and you should bring a cold refreshing beverage of your choice. We are still social distancing, so bring a foldable chair or two so you can sit where you are comfortable during the meeting.

I will include directions for the meeting and other details in an email to the membership later in August.

Until we meet again, smile because you own a Corvette.
