Message from your President

BSCC Members,

Thank you for the opportunity to serve as the President of our club in 2020. Clint Morgan, our past President, and the previous other officers have left our club in good standing. It will be difficult to surpass what the previous team has accomplished in the past two years; however, I along with the new officers and board members will do our best to serve this fine club.

I have been married to Gizell for 35 years and we were blessed with two children, both are married with children of their own making us the proud grandparents of three. I am employed as a Construction Manager for a company that owns and operates Nursing Homes in Louisiana. Prior to that, I owned and operated a commercial and residential construction company. Prior to that I taught school in Louisiana and Arkansas. We live in Carencro.

I always wanted a Corvette and considered myself an enthusiast. We purchased our C6 in 2016. The white coupe only had 18,000 miles on it when we purchased the car. Gizell and I have driven our vette to Bowling Green twice. In 2019 we participated in the Caravan for the 25th Anniversary of the Corvette Museum and while there we had the good fortune of driving our car on the motorsports track.

I am working on nailing down the restaurants to hold our monthly meetings. I hope to see all of you at our next meeting on Feb 20th at Crawfish Town in Henderson.

Eric Simmons

President
