Letter from the President

October 5, 2020

BSCC Members,

Welcome to October. I hope this newsletter finds you in good health and happy with the Corvette your attention is on at this moment. If you will oblige me, I'll share a little Corvette humor with you. Last Thursday I walked out of the house headed to a meeting and decided against driving my company truck, and chose my white 2012 coupe instead. A fella pulled up to me at a light and motioned me to lower my passenger window and I complied, he asked, "Say, what year is that car?" I said, "2012." He nodded his head approvingly, and then said, "That is a beautiful car." I said, "Thank you" as the light was turning green, and I was pulling away from the stop, he yells, "What does Ford call that?"

That tells me that we have lots of work to do; promote Corvettes in our community, educate the public about Corvettes, and to host a great car show Saturday, Nov 7th at Cajun Harley Davidson.

About the show, I've got just a few things to remind you about, and something important to pass on from Shannon at Cajun HD. At our next meeting, Oct 15th at Scotty and Mellissa Quebedeaux's home,
